

Facility Evaluation

*To be completed at final evaluation.
Please rate our department and staff.*

Satisfaction Rating Scale:

5 = strongly agree

4 = agree

3 = neither agree or disagree

2= disagree

1= strongly disagree

NA= not applicable

	5	4	3	2	1	N/A
Information was provided prior to arrival at clinical and was adequate and useful						
Orientation to the facility was performed and department objectives were clearly stated						
Staff was approachable and helpful						
Effective role models for problem solving, communication, professional growth and teamwork were provided						
Staff adhered to ethical codes, legal statutes and standards						
Learning opportunities, resources and observations were beneficial and could be applied during this affiliation						
My experience with patient population/opportunities was what I expected
