Off unit Experiences: We are not arranging off unit experiences at this time, however, if an instructor finds a great learning opportunity and it is approved with unit leaders, that can be an exception.

Pre/Post Conferences:

- We are not allowing pre/post conferences to take place on site. Weather permitting, groups can use the healing garden as a gathering place (most common in beginning of fall semester, very end of spring semester)
- Return of visitors to lounges - Please do not gather in the visitor lounges. Students may put their limited belongings in the staff breakrooms. Students are encouraged to eat in the cafeteria as well to free up space for staff in their breakrooms. If you would like a room for post conference - we can book over at the Sports Medicine Building adjacent to the main hospital.

Restraints (Physical and/or Chemical)

- Students do not apply, administer, or document regarding restraints.
- Notify RN members for assistance.

Medication

- Nursing faculty must be at bedside for all medication administration

Health Insurance Portability & Accountability Act (HIPAA) & Confidentiality

- Ensure that all patient specific information is kept private and confidential.
- Do not make copies or print from the medical record.

Other Helpful Hints

- Be cognizant of the noise level on the units
- Communicate with the staff you will be working with (i.e., tasks you can do independently, tasks that must be performed with the faculty, or tasks you are NOT permitted to do, etc.)
- Help or seek out additional learning experiences during your down time
- Help Desk number: 1-414-647-3520

Dress Code

- Follow your school dress code
- Look professional; school uniforms/scrubs are acceptable. Tattoos and piercings need to be tasteful, otherwise leadership may ask to have them covered or removed. Closed toe shoes are required in any patient care area.
