NOT-FOR-PROFIT HEALTH SYSTEM

Aurora Medical Center – Mount Pleasant is a center for excellence in health and healing, offering emergency, outpatient and rehabilitation care, as well as inpatient care including surgical and intensive care. A shining example of modern medical technology, Aurora Mount Pleasant features high-tech innovations designed to deliver precise, expert care, and help our patients stay safe, connected and involved in all steps of their medical care and treatment. The medical center offers a wide range of specialty care in a compassionate and culturally affirming setting to help everyone we serve live fully.

NATIONALLY RECOGNIZED FOR EXCELLENCE

Acute Stroke Ready

CLINICAL EXPERTISE AND SPECIALTIES

Emergency Care

Level IV Trauma Center and Acute Stroke Ready including Telestroke.

Advanced Imaging Services

A full array of advanced services for diagnostic, testing and treatment, including X-ray, CT, MRI, fluoroscopy, ultrasound, vascular stress testing, interventional radiology, and nuclear medicine.

Cardiac Care

Heart and vascular care, dedicated to prevention, diagnosis and treatment.

Gastrointestinal Care

Culture of excellence in the entire spectrum of digestive conditions of esophagus, stomach, small intestine, colon, pancreas, gallbladder and liver.

Orthopedic and Rehab Care

Comprehensive orthopedic care, along with cardiac rehab, speech, occupational and physical therapy, and athletic training to help you get back on your game.

Surgical Care

The most advanced medical technologies to offer a range of inpatient and outpatient general, vascular, breast and plastic surgical services.

CARING FOR OUR COMMUNITIES

Aurora Mount Pleasant has been awarded **LEED Silver Certification** for excellence in sustainable design. Features

include solar panels, low-emitting materials, electric car chargers, sophisticated energy monitoring and green spaces.

Cancer Nurse Navigators serve as advocates who provide support for survivors

and give recommendations for healthy lifestyle changes, guiding patients at each stage of diagnosis and treatment.

Community Health.

Aurora Mount Pleasant is more than a hospital, it's a hub for health and healing. In addition to a community Conference Center, our team offers a community outreach program for wellness education and events.
