PART OF A
TOP 3
NOT-FOR-PROFIT HEALTH SYSTEM

Aurora Medical Center – Oshkosh is a hospital that combines state-of-the-art resources, including robotics, with a commitment to providing personal, compassionate care. With 24/7 emergency services and several on-site specialists, we're ready to help. A nationally recognized healthcare provider, we offer a wide range of medical specialties in a culturally affirming and compassionate way to help all people live well. The hospital is nationally ranked for adult specialties and named among the best for maternity care by U.S. News and World Report.
