It's that time of year again!

As one class is wrapping up their year, another is ready to embark on their journey as pharmacy residents. From the first day of orientation to now, we have learned and laughed as a family. Although the resident office may no longer be our second home, we will commence our careers as proud Aurora alumni and can now reflect on the exceptional year we have had. Yes we worked hard, but we had a blast doing it!

This upcoming year marks Aurora Health Care's 24th pharmacy residency class!

Residency Program Overview

This year, Aurora Health Care’s pharmacy residency program trained 30 residents that will be continuing their career in pharmacy across the nation!

PGY1 pharmacy residency programs include Aurora Health Care Metro, Inc., Aurora West Allis Medical Center, Aurora BayCare Medical Center, and Aurora Health Care’s Community-Based Pharmacy Residency. This year also marked the first year of the community-based specialty pharmacy program that provides a residency experience in this rapidly growing area. In addition to our 23 PGY1 residents, seven PGY2 residents in oncology, critical care, administration, and informatics joined the graduating class of 2017. The vision from our pharmacy leaders sustains Aurora Health Care’s reputation as a premier residency program in the country and we are soon-approaching a quarter of a century of residency training.

“It has been a fantastic year as the first resident to complete the Community-Based Pharmacy Residency program at Aurora Specialty Pharmacy (ASP)! I’ve had the opportunity to become proficient in counseling patients on specialty medications, as well as learn about the management of ASP and the logistics of acquiring limited-distribution medications. Notable accomplishments include: preparing for URAC re-accreditation of ASP, starting an ambulatory care practice within the Good Hope Neurology Clinic, starting a naloxone screening program at my community pharmacy staffing site (API #1262), and two publications (PCSK9 Inhibitor Class Review with Paul Windisch in *JPSW*, and an article on specialty pharmacy residency programs with Jim Motz in *Specialty Pharmacy Times*). Thank you to my residency director, Jim Motz, my primary preceptor, Katie Gaertner, and all of those who have supported this new program to make it a success! “

– Marisa Goninen

New Program Additions!

Beginning with the class of 2017-2018, Aurora Health Care has expanded its PGY2 pharmacy residency program opportunities with the addition of an infectious disease program and a combination PGY1/PGY2 residency program in informatics. The PGY2 program in infectious disease will include inpatient and clinic experiences, as well as deliver insight into clinical microbiology within our ACL laboratories. Current PGY1 resident Courtney Horvat will be Aurora’s first infectious disease resident in program history! While the PGY2 informatics program is nothing new to Aurora, we’ve packaged one position in our accredited PGY1 Pharmacy Residency – Aurora Health Care Metro, Inc. program with a PGY2 Pharmacy Residency in Informatics to create a 2-year PGY1/PGY2 combined program. This is similar to our PGY1/PGY2 Health System Pharmacy Administration program and Aurora Health Care is one of the only programs in the country to offer this design in informatics training.

The Residency Program Director for the PGY2 Infectious Disease Pharmacy Residency will be Tom Dilworth, PharmD, BCPS, AQ-ID (thomas.dilworth@aurora.org)

The Residency Program Director for the PGY1/PGY2 Combination Informatics Pharmacy Residency will remain Barry McClain, PharmD, MS (barry.mcclain@aurora.org)

Our Year in Review

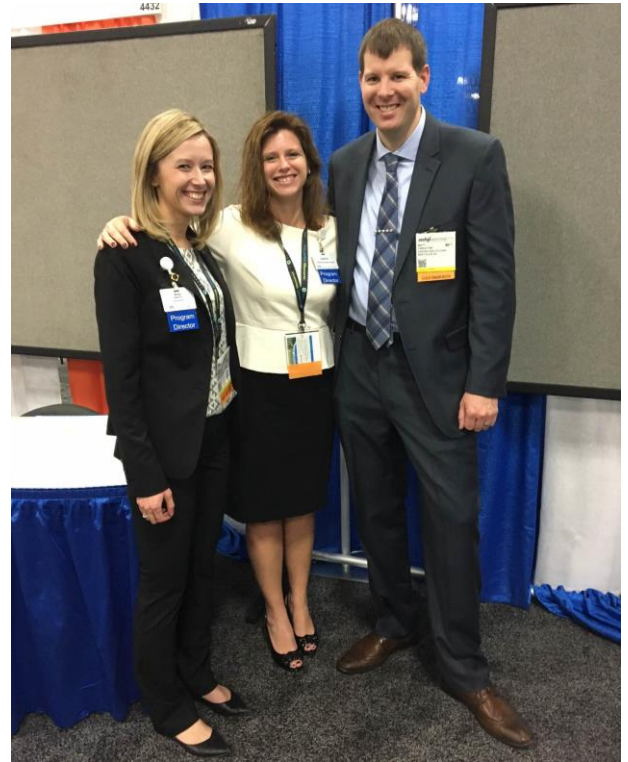

Keeping the tradition alive with Aurora's annual pharmacy residency bowling event!

Hard at work recruiting the Class of 2017-2018!

Our residents travelled within Wisconsin, and to Illinois, Iowa, and Nevada recruiting the best candidates. Some of the best residents come from referrals from our alumni, so if you know any great candidates please send them our way!

MIDYEAR CLINICAL MEETING 2016 Las Vegas, NV

Pictured above: Aurora residents hearing words of wisdom from Marianne Ivey

After a day filled with recruitment at our showcase booth and reception, the residents visited with numerous inspirational leaders at the Whitney Reception. Our class had the incredible opportunity to personally meet with David Zilz, Harold Godwin, Marianne Ivey, Paul Abramowitz, Lisa Gersema, and many others!

Congratulations

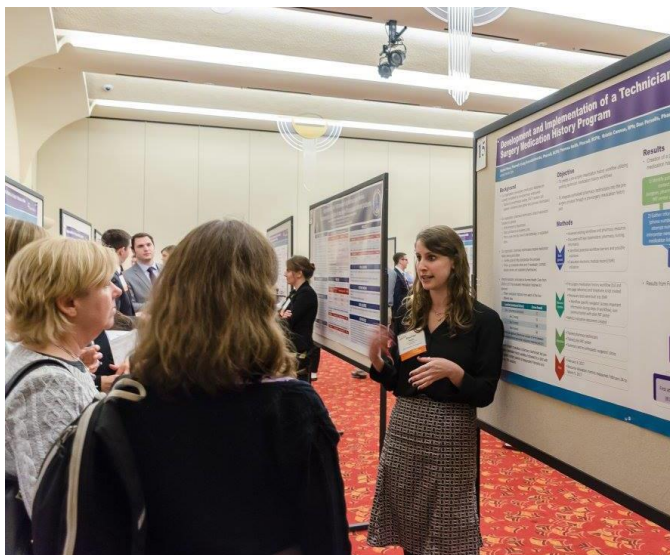

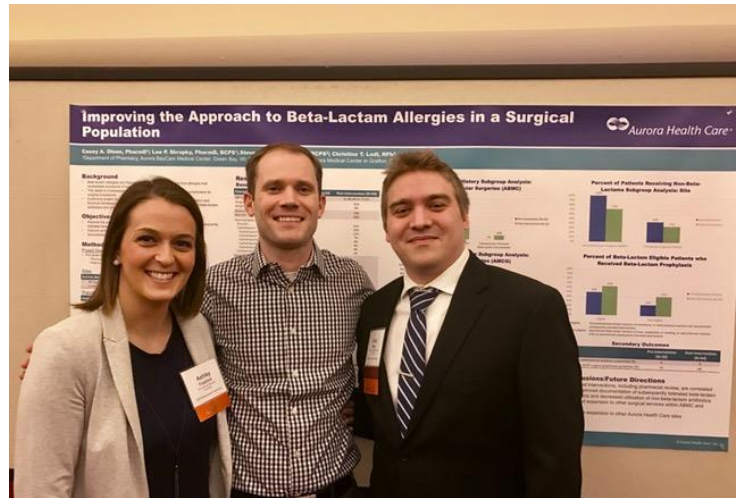

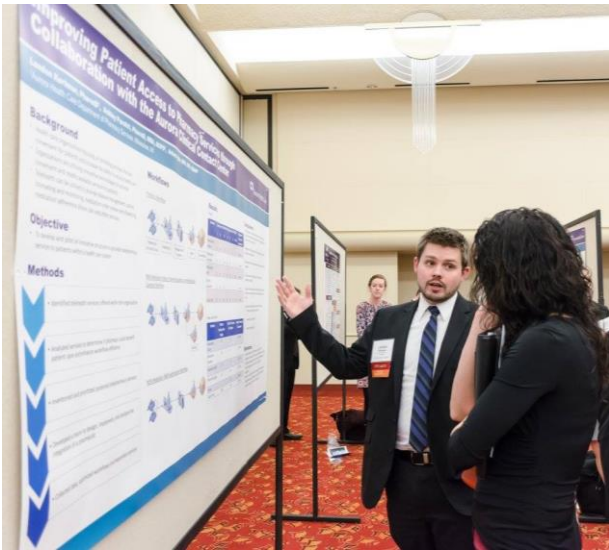

Congratulations to Arlene Iglar for receiving the Winston J. Durant Lecture Award! This prestigious honor is presented annually to a graduate of UW Hospital's pharmacy residency program who demonstrates leadership in the profession, contributes to resident training, and advances the field of pharmacy. Previous winners truly are distinguished members of the pharmacy world and Arlene is joining an elite group! Thank you for all of your hard work and dedication to Aurora Health Care, the residency program, and the profession.

KEEP UP THE GREAT WORK!

PSW Educational Conference

April 6-7th, 2017

Madison, WI

Spring conferences allow our residents the opportunity to display their year's worth of hard work. One thing that truly sets Aurora Health Care apart from other residency programs is that our projects allow for the operational application of ground-breaking pharmacy advancements. Some of this year's projects include novel vancomycin dosing, HIV care within a health system, improving medication adherence for high-risk patients, and system-wide standardization of sterile compounding.

Great Lakes Pharmacy Residency Conference

April 26-28th, 2017

West Lafayette, IN

LET THE FUN BEGIN!

*Brewery tours, wine nights,
shopping for Angel Tree gifts
and much, much more!*

Where Are They Going?

Kasey Abel, PharmD	Inpatient Clinical Pharmacist at Aurora St. Luke's Medical Center - Milwaukee, WI
Travis Carlson, PharmD	Two year fellowship in Infectious Diseases at Baylor St. Luke's Medical Center - Houston, Texas
Garrett Fouth, PharmD	PGY2 Pharmacy Resident in Critical Care at Aurora Health Care - Milwaukee, WI
Aaron Glueckstein, PharmD	Inpatient Clinical Pharmacist at Froedtert and MCW Community Memorial Hospital - Menomonee Falls, WI
Courtney Horvat, PharmD	PGY2 Pharmacy Resident in Infectious Diseases at Aurora Health Care - Milwaukee, WI
Kaitlyn Hughes, PharmD	PGY2 Pharmacy Resident in Oncology at Aurora Health Care - Milwaukee, WI
Rachael Leek, PharmD	PGY2 Pharmacy Resident in Solid Organ Transplant at Michigan Medicine - Ann Arbor, MI
Meagan Loomis, PharmD	Inpatient Clinical Pharmacist at Aurora Sheboygan Memorial Medical Center and Coordinator of Sterile Compounding - Sheboygan and Milwaukee, Wisconsin
Rachel Nass, PharmD	PGY2 Pharmacy Resident in Health System Pharmacy Administration at Aurora Health Care - Milwaukee, WI
Kelsey Olson, PharmD	PGY2 Pharmacy Resident in Infectious Diseases at Froedtert and The Medical College of Wisconsin - Milwaukee, WI
Stephanie Rawson, PharmD	Pursuing pharmacy practice opportunities
Meagan Sullivan, PharmD	PGY2 Pharmacy Resident in Cardiology at University of Chicago Medical Center - Chicago, IL
Colleen Whyte, PharmD	PGY2 Pharmacy Resident in Critical Care at Christiana Care Health System - Newark, DE
Michael Williams, PharmD	PGY2 Pharmacy Resident in Oncology at Aurora Health Care - Milwaukee, WI
Lindsay Zeihen, PharmD	Inpatient Clinical Pharmacist at Aurora St. Luke's Medical Center - Milwaukee, WI

Joseph Zieminski, PharmD	PGY2 Pharmacy Resident in Cardiology at Aurora Health Care - Milwaukee, WI
Shawn Reinen, PharmD	Inpatient Clinical Pharmacist at Mercy Hospital and Trauma Center - Janesville, WI
Michelle Wegge, PharmD	Central Order Verification Pharmacist at Aurora Health Care - Milwaukee, WI
Casey Olsen, PharmD	PGY2 Pharmacy Resident in Informatics at Aurora Health Care - Milwaukee, WI
Ashley Fredrick, PharmD	Inpatient Clinical Pharmacist at Bellin Health - Green Bay, WI
Marisa Goninen, PharmD	Clinical Pharmacist at the Aurora Clinical Contact Center - New Berlin, WI
Lauren Putterman, PharmD	Clinical Pharmacist at Aurora St. Luke's Physician Office Building Pharmacy - Milwaukee, WI
Cassandra Levetzow, PharmD	Clinical Pharmacist at Aurora St. Luke's Outpatient Pharmacy - Milwaukee, WI
Landon Kortman, PharmD	Specialty Pharmacy Coordinator at Aurora St. Luke's Medical Center - Milwaukee, WI
Trisha Pedone, PharmD	Investigational Drugs Pharmacist at New York-Presbyterian Hospital/Weill Cornell Medical Center - New York, NY
Brittany Jensen, PharmD	Clinical Oncology Pharmacist at Aurora Cancer Care - Milwaukee, WI
Krista E. Foley, PharmD	Pursuing pharmacy practice opportunities in oncology
Rahim F. Merchant, PharmD	Clinical Pharmacist Informaticist at OhioHealth - Columbus, OH
Asha Kalichira, PharmD, MS	Clinical Pharmacist Informaticist at Cedars-Sinai Medical Center - Los Angeles, California
Laura Clark, PharmD	Inpatient Clinical Pharmacist at Aurora St. Luke's Medical Center - Milwaukee, WI

Alumni Updates

Remembering Dan Schiedermayer

Unfortunately, our friend, colleague, and Aurora residency class of 2008 graduate Dan Schiedermayer lost his battle with brain cancer in May. For those of you who knew him, he was a kind and truly remarkable person who will be greatly missed. We are so fortunate to have had him as part of our Residency Family.

Aurora Residency Programs in Print!

Check out the June 15, 2017 edition of AJHP - read all about our novel residency project process on pages 919-925: <http://www.ajhp.org/content/74/12/919.abstract?etoc>

Congratulations to the Following Aurora Alumni...

Angela Colella – on her appointment to the ASHP Section Advisory Group on Emerging Sciences, serving as an ASHP House of Delegates Alternate for Wisconsin, and being the Student Writing Club Editor for the Journal of the Pharmacy Society of Wisconsin.

Alison (Van Kampen) Van Rossum – on becoming Adjunct Faculty at University of Florida College of Pharmacy, Course Facilitator and North East Florida Society of Health System Pharmacy Board Member, Treasurer

Lauren Schmidt – for being a peer-reviewer for AJHP and a certified practice reviewer for PSAP

Kunal Desai – for adding lecturing at Chapman University for Informatics related topics to his responsibilities

Karrie (Radovich) Stanke – for serving as a mentor for the Pharmacy Society of Wisconsin Adherence Competence Collaborative

We know there are MANY alumni that deserve congratulations because Aurora alumni are awesome! If you have any personal or professional updates/accomplishments/kudos you'd like included in future alumni newsletters, send them to Julie Dagam (julie.dagam@aurora.org). Also, don't forget to update Julie with any changes in jobs or contact information throughout the year!
