## *Annual Residency Newsletter*

## Introduction

Welcome to the 2022-2023 annual resident newsletter! As this residency year comes to an end and we finish up our projects and rotations, we are reflecting on how great of a year it was. The opportunities, accomplishments, and skills we have gained throughout this year will serve us well as pharmacists. This year we started to attend in-person conferences, met other Advocate Health residents, and socialized with residents completing residency programs in Wisconsin! In this newsletter we will share some of the highlights of this year and introduce the incoming class of Aurora Health Pharmacy Residents. We are excited to join the prestigious alumni of Advocate Aurora Residents!

- PGY1 Pharmacy – Aurora West Allis Medical Center
- PGY1 Pharmacy – Aurora BayCare Medical Center
- PGY1 Community-Based Pharmacy – Aurora Health Care Metro, Inc.
- PGY1/2 Pharmacy Informatics – Aurora Health Care Metro, Inc.
- PGY1/2 HSPAL – Aurora Health Care Metro, Inc.
- PGY2 Cardiology Pharmacy – Aurora Health Care Metro, Inc.
- PGY2 Critical Care Pharmacy – Aurora Health Care Metro, Inc.
- PGY2 Infectious Diseases Pharmacy – Aurora Health Care Metro, Inc.
- PGY2 Oncology Pharmacy – Aurora Health Care Metro, Inc.

## Legacy Advocate Residency Programs (IL):

- PGY1 Pharmacy – Advocate Lutheran General Hospital
- PGY1 Pharmacy – Advocate Illinois Masonic Medical Center
- PGY1 Pharmacy – Advocate Christ Medical Center
- PGY1 Pharmacy – Advocate Condell Medical Center
- PGY1 Pharmacy – Advocate Good Samaritan Hospital
- PGY1 Pharmacy – Advocate Good Shepherd Hospital
- \*New in 2023-2024\* PGY1 Pharmacy – Advocate Sherman Hospital
- PGY1/2 HSPAL – Advocate Lutheran General Hospital
- PGY2 Critical Care Pharmacy – Advocate Lutheran General Hospital
- PGY2 Infectious Diseases Pharmacy – Advocate Lutheran General Hospital
- PGY2 Pediatrics Pharmacy – Advocate Lutheran General Hospital/Advocate Children's Hospital
- PGY2 Emergency Medicine Pharmacy – Advocate Christ Medical Center
- PGY2 Infectious Diseases Pharmacy – Advocate Christ Medical Center

**2022-2023**  
**Aurora Health Care Residency Class**  
**PGY1 Pharmacy Residency Class**

Abby Seger

Purdue University

Future Plans: PGY2 Cardiology  
Pharmacy Resident – Aurora  
Health Care Metro, Inc.

I have enjoyed the opportunity to precept APPE students through topic discussions and rotation. Precepting has taught me how I learn and lead to a deeper understanding of concepts in order to explain to a learner. As a result, I have gained self-awareness and changed how I approach learning/questions to ask during my own experiences

Adam Wargolet

Concordia University - Wisconsin  
Future Plans: Clinical Pharmacist  
I - Aurora Hospitals in Sheboygan  
and Two Rivers - WI

A professional highlight of my year was being part of the interdisciplinary team for the first TransMedics-supported heart transplant at St. Luke's when I was on rotation with the AHFT. Absolutely amazing!

Allison Miller

University of Minnesota -  
Twin Cities

Future Plans: Clinical Pharmacist,  
Aurora St. Luke's Medical Center  
The highlight of my residency was my Heart Failure Clinic rotation! It was here that I learned there can be overlap between the care a clinic-based pharmacist and an inpatient pharmacy provides to patients. Additionally, I loved working with the team in the clinic and the specialized patient population.

Autumn Lawhorn

Bulter University

Future Plans: Clinical Pharmacist  
I - Aurora Sinai Medical Center

A professional highlight of my year was being able to visit the ACL microbiology lab while on my Infectious Diseases learning experience. Dr. Beck gave myself and a few others a tour of the lab and described the logistics of their day to day. I gained valuable insight of the process and timeline of cultures.

Beau Blake

Drake University

Future Plans: PGY2 Critical Care  
Pharmacy Resident – Aurora  
Health Care Metro, Inc.

A professional highlight of my year was getting to attend different rounds and OFTs at different specialties throughout the hospital and being able to contribute pharmacy knowledge and experience.

Jim Sullivan

University of Minnesota -  
Twin Cities

Future Plans: Float Pharmacist  
for Southern WI AAH Hospitals  
A professional highlight during my PGY-1 was rounding with the MRICU team. I really enjoyed how quickly I was integrated into the team. It was a great learning experience and helped me better understand the importance of strong interprofessional environments.

Kurt Weissheimer

University of Illinois - Chicago  
Future Plans: Inpatient  
Pharmacist - Northwestern  
Kishwaukee Hospital

One of my favorite experiences was having the opportunity to work with a psychiatrist for a day at the mental health emergency center during my psychiatry rotation. It was incredibly interesting to see how patients needing mental health care were triaged, and how the center coordinated with other local hospitals. Considering many of the situations surrounding medication access, adherence, and general patient health education I felt that this was a unique opportunity and view into a commonly unseen area where pharmacists could make a positive impact.

Logan Erdmann

University of Wisconsin - Madison  
Future Plans: Inpatient  
Pharmacist - Madison VA  
My favorite professional memory would of been working alongside the medical resident team at Sinai. I was able to improve therapy efficacy while learning from the medical team. This allowed for open discussion and a great learning environment.

Maddie Nowakowski

University of Wisconsin - Madison  
Future Plans: Inpatient Clinical  
Pharmacist - Aurora St. Luke's  
Medical Center

I really enjoyed my learning experiences at the Aurora Psychiatric Hospital and in the OR at St. Luke's!

Mark Botros

Manchester University  
Future Plans: PGY2 Oncology  
Pharmacy Resident - Aurora  
Health Care Metro, Inc.

A professional highlight of my year was presenting AAH supportive care guideline updates to the various clinical oncology governance teams to ensure our system practices align with national guidelines. Throughout this extensive process, I learned the value of thoroughly evaluating updates and effectively communicating their potential impact. It has been truly rewarding to witness the tangible results of this effort and to know that I have played a role in improving patient care!

Max Stone

University of Illinois - Chicago  
Future Plans: PGY2 Oncology  
Pharmacy Resident - Aurora  
Health Care Metro, Inc.

A professional highlight of my year was working with Dan, Imran, and Heena to create competencies for central pharmacists, testing verification of RSI kits, tackle boxes, and code cart trays.

Michael Hoefs

Concordia University - Wisconsin  
Future Plans: Clinical Pharmacist  
- Aurora Grafton Medical Center

My favorite professional experience in residency was completing my research into Cystatin C. It made me an expert in an area that I did not foresee myself having much interest in when I started residency. It allowed me to utilize my research skills and learn about an emerging topic that can and hopefully will be more readily available in the future.

Taylor Easey

University of Florida

Future Plans: PGY2 Psychiatric Pharmacy Resident; West Palm Beach, FL

A professional highlight of my residency year was writing my PANDAS review article. During my infectious diseases rotation, I was offered the opportunity to write a brief review article on PANDAS, which is a relatively rare neuropsychiatric complication of streptococcal infections in pediatric patients. Currently I am working on a final draft, and it should be ready for publication by the end of residency.

Tasha Roshan

Texas Southern University

Future Plans: PGY2 Oncology Pharmacy Resident – Aurora Health Care Metro, Inc.

A professional highlight of my year was having the opportunity to precept an APPE student during my infectious disease elective. I was able to develop my precepting style while also participating in the layered learning model St. Luke's affords us. I hope to continue devolving these skills as a new practitioner!

***PGY1 Community- Based Pharmacy - Aurora Health Care Metro, Inc.***

Alexis Simons

University of Kansas

Future Plans: PGY2 Ambulatory Care - University of Colorado in Denver

A professional highlight of my year was leading clinic visits and building relationships with patients in the Medication Management and Anticoag Clinic at Sinai.

Annie Yeung

Concordia University - Wisconsin

Future Plans: PGY2 Ambulatory Care Pharmacy Resident - Kaiser Permanente; Atlanta, Georgia

A professional highlight of my year was staffing in the Medication Management Clinic and Pulmonary Clinic. I was responsible for managing patients with complex primary care and pulmonary disease states. I really enjoy having the opportunity to build a relationship with patients. The experience has also helped me develop my clinical knowledge and allowed me to work collaboratively with the providers in the clinics.

***PGY1/2 Pharmacy Informatics - Aurora Health Care Metro, Inc.***

Liz Hartell

University of Minnesota – Twin Cities  
Future Plans: Clinical Informatics  
Pharmacist – Advocate Aurora  
Health

A professional highlight of my year was going to in-person ASHP Midyear with my co-residents and having the opportunity to be a speaker for the Informatics Gems 2022: Resident & New Practitioner Bytes of Informatics session. I was able to work with my co-residents to aid in recruitment activities while also pursue my own professional interests and connect with those in my specialty field.

Caelee Batterson

University of Iowa  
Future Plans: PGY2 Informatics  
Pharmacy Resident – Aurora  
Health Care Metro, Inc.

My favorite professional memory was probably my first rotation at Sinai hospital. By the end of the rotation, I was managing about 30 patients myself. I was able to answer questions from doctors and nurses and worked independently to manage patient medications. This provided me with many learning opportunities and increased my confidence in being a practicing pharmacist.

***PGY1/2 Health System Pharmacy Administration and Leadership - Aurora Health Care Metro, Inc.***

Aaron Klysen

University of Wisconsin - Madison  
Future Plans: PGY2 Health  
System Pharmacy  
Administration and Leadership  
Resident - Aurora Health Care  
Metro, Inc.

One highlight of the past year was being able to help pharmacists, pharmacy technicians, and leaders engage with continuing professional development. This was part of my year-long project, which involved the creation of a continuing professional development toolkit. In this effort, I learned the importance of communication and resource development.

Sam Squires

Concordia University - Wisconsin  
Future Plans: PGY2 Health  
System Pharmacy  
Administration and Leadership  
Resident - Aurora Health Care  
Metro, Inc.

My favorite professional highlight was being able to care for the first gender affirmation surgery patient within Aurora Healthcare.

***PGY1/2 Health System Pharmacy Administration and Leadership -  
Aurora Health Care Metro, Inc. (cont.)***

Grace Dyke

Concordia University - Wisconsin  
Future Plans: TBD  
A professional highlight of my year was attending ASHP Midyear. I staffed the PPS booth and assisted with the Residency Showcase. I had the opportunity to meet so many great individuals and represent AAH on a national platform.

Moataz Ali

St. Louis College of Pharmacy  
Future Plans: TBD  
A professional highlight of my year was getting to connect and see everyone at the PSW educational conference.

***PGY2 Cardiology Pharmacy  
Aurora Health Care Metro, Inc.***

Rebecca Heinert

Drake University  
Future Plans: Cardiology clinical specialist at UNMC in Omaha, Nebraska  
Attending ACC was my favorite professional highlight of the year. I was able to attend a variety of informative sessions as well as present a poster of my yearlong residency project. By attending ACC, I was build upon my clinical knowledge as well as meet many other professionals within cardiology.

***PGY2 Critical Care Pharmacy  
Aurora Health Care Metro, Inc.***

Lauren Nevinski

Concordia University - Wisconsin  
Future Plans: Clinical Pharmacist -Aurora St. Luke's Medical Center  
A professional highlight of my year was giving a lecture at Concordia University Wisconsin School of Pharmacy in their critical care elective. This lecture not only allowed me learn myself, but also was a full circle as I completed this lecture myself during pharmacy school so I was able to see how far I have come during the past few years.

## ***PGY2 Oncology Pharmacy Aurora Health Care Metro, Inc.***

Alyssa Marquis

Concordia University - Wisconsin  
Future Plans: Outpatient Clinical  
Oncology Pharmacist - Advocate  
Aurora Health

A professional highlight of my year was attending the HOPA conference, experiencing the networking, attending educational sessions, and meeting the oncology pharmacy community all while exploring AZ!

Emily Anshus

Concordia University - Wisconsin  
Future Plans: Oncology Clinic  
Pharmacist - Advocate Aurora  
Health

Attending the HOPA Annual Conference was my favorite professional memory of the year. I was able to attend many educational sessions and learn about practices from other health systems regarding caring for oncology patients. There were quality presentations regarding controversial or grey areas of practice. I was also able to present my year-long project as a poster and had many interactions with conference attendees. I am encouraged to attend future conferences as both an attendee and a presenter.

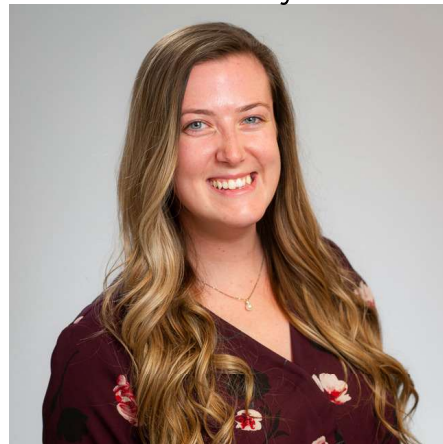

Emily Winkler

Concordia University - Wisconsin  
Future Plans: Oncology Clinical  
Pharmacist - Two Rivers and  
Sheboygan VLCCs Advocate  
Aurora Health

A professional highlight of my year was guest lecturing to the MCW pharmacy students on cellular therapies and cytokine release syndrome. Not only was this beneficial for my own learning, but I was able to give back in a way that previous residents had done for me when I was in pharmacy school.

Suzanne Dwyer

Butler University  
Future Plans: Bone Marrow  
Transplant and Malignant  
Hematology Clinical Pharmacy  
Specialist, Rush University  
Medical Center (Chicago, IL)

A professional highlight of my year was being able to attend HOPA with my oncology pharmacy team members. It was very rewarding to go to a conference where everyone shared similar interests, discuss the practice differences seen across the country, and share research that was beneficial to our profession.

## ***PGY1 Pharmacy - Aurora West Allis Medical Center***

Anna Maher

Concordia University – Wisconsin  
Future Plans: Clinical Pharmacist  
- Aurora St. Luke's Medical Center  
My favorite professional highlight from my residency year was seeing the implementation of my year-long project into Epic. Seeing it come to life while on rotation and staffing was a rewarding experience.

Brooke Noegel

Concordia University – Wisconsin  
Future Plans: Clinical Pharmacist  
at Froedtert West Bend Hospital  
My favorite professional experience was rounding with the infectious disease provider during my ID rotation. I was able to observe the physical workup of each patient and was included in the initial treatment plan decision making.

Sara Witt

Concordia University – Wisconsin  
Future Plans: Clinical Pharmacist  
- Aurora Medical Center  
Burlington  
A professional highlight of my year was presenting my Clinical Forum. This was the first time that I have given a fifty-minute presentation. This experience allowed me the opportunity to learn about a topic of interest, in my case cystic fibrosis, and continue to develop my public speaking skills. I also learned more about the framework for writing case-based review questions that meet the criteria for pharmacist continuing education (CE) accreditation.

## ***PGY1 Pharmacy - Aurora BayCare Medical Center***

Noah Dery

Husson University  
Future Plans: Clinical Pharmacist  
at Bellin Hospital in Green Bay  
A professional highlight of my residency year was seeing the progression of my confidence throughout the year. As this year of residency comes to a close, I've been able to notice more meaningful connections with both other pharmacists, as well as with clinicians asking me for help or assistance in their patients.

Sophia DiGiambattista

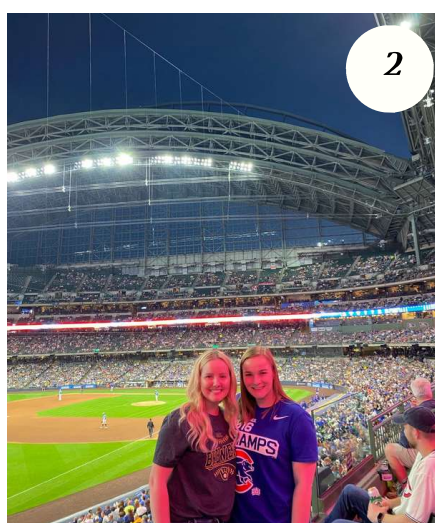

Regis University  
Future Plans: Clinical Pharmacist  
- Aurora BayCare Medical Center  
A professional highlight was completing a NICU elective learning experience. The neonatologists walked me through their physical exams, and even let me listen to heart and lung sounds. I also observed several procedures and deliveries. I learned the importance of teamwork in caring for this vulnerable patient population and gained much confidence in the pharmacotherapy utilized in these patients.

Michael Keeney

Medical College of Wisconsin  
Future Plans: Clinical pharmacist  
at Bellin Health  
A professional highlight of my year was making interventions for patients and interacting with providers and student doctors during rounds.

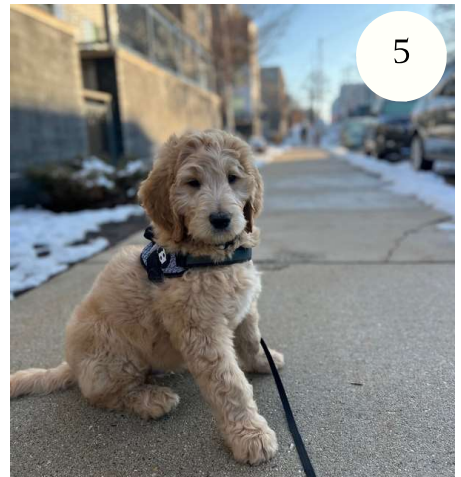

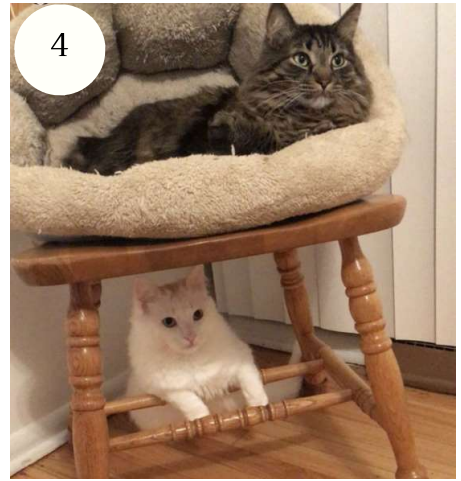

# Resident Memories

1,2,3: Aurora Health Care Residents attending a Brewer's game!

**"A personal highlight of my year was going to the Brewers game with co-residents and AAH leadership. We got to the game early and cooked-out with other AAH pharmacists. It was great to get to know my co-residents better as well as leadership." Jim Sullivan**

# Resident Memories

**"One of my favorite personal memories from residency was adopting our second cat, Olaf, from the Wisconsin Humane Society. He is now best buddies with our other cat, Keno. These two can only be found one of two ways together, either they're snuggling/taking naptime or they're playing/wrestling." Liz Hartell (4)**

**"I got a goldendoodle puppy!" Maddie Nowakowski (5)**

**"A professional highlight of my year was attending ASHP Midyear. I staffed the PPS booth and assisted with the Residency Showcase. I had the opportunity to meet so many great individuals and represent AAH on a national platform." Grace Dyke (6)**

# Resident Memories

*2022 Resident Friendsgiving*

**"Spending quality time with my coresidents during our Friendsgiving event!"**

**Mark Botros**

**"My favorite personal memory of residency was our Friendsgiving that we organized. It was so fun to get together for a meal and spend time together**

**outside of work!" Allison Miller**

# Resident Memories

"My favorite personal memory during residency was going to trivia with some of my co-residents. We all worked together to answer the trivia questions and ended up getting second place" Caelee Batterson (10)

"A favorite moment of my residency year was developing friendships with my coresidents as well as with my fellow pharmacists and pharmacy technicians. All of the people that I have met have been supportive and I hope to be able to continue those friendships after I leave my residency." Noah Dery (11)

"My favorite personal highlight from my residency year were the lunches with my co-residents up in our resident office. We were able to talk about our mornings, laugh, and share stories. I'm so glad to have had them by my side during this last year!" Anna Maher (12)

# WPRC Meeting

# WPRC Meeting

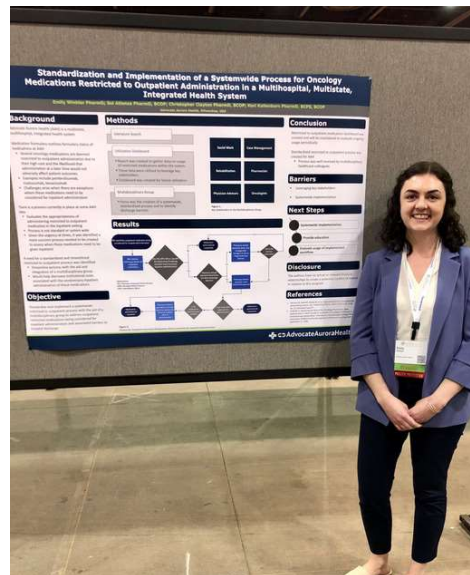

# 2023 WPRC Aurora Social

# HOPA Conference 2023

This year's, Hematology/Oncology Pharmacy Association (HOPA) Conference took place in Phoenix, Arizona March 29th to April 1st. Our four oncology residents were able to present posters on their year-long projects and have the opportunity to network with other oncology specialists!

**"Attending the HOPA Annual Conference was my favorite professional memory of the year. I was able to attend many educational sessions and learn about practices from other health systems regarding caring for oncology patients. There were quality presentations regarding controversial or grey areas of practice. I was also able to present my year-long project as a poster and had many interactions with conference attendees. I am encouraged to attend future conferences as both an attendee and a presenter."**  
Emily Anshus

# SCCM Conference 2023

The 2023 Critical Care Congress was held January 21-24, 2023. The event brought the critical care community together in San Francisco, California, to learn and engage. Congress was packed with essential clinical information to keep attendees informed on the latest groundbreaking research and developments in critical care.

**"A personal highlight of my year was being able to attend and present my year-long project at the Society of Critical Care Medicine conference in San Francisco. The atmosphere at an in-person multiprofessional congress is one that will resonate with me throughout my career." Lauren Nevinski**

# ACC Conference 2023

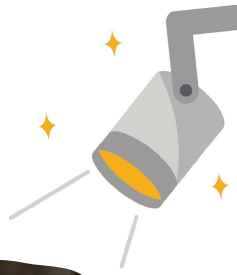

This year's ACC Conference was held in New Orleans, Louisiana March 4-6, 2023. Thousands of cardiovascular professionals from around the globe came together to debate and discuss practice-changing science and innovations

**"Attending ACC was my favorite professional highlight of the year. I was able to attend a variety of informative sessions as well as present a poster of my yearlong residency project. By attending ACC, I built upon my clinical knowledge as well as meet many other professionals within cardiology." Rebecca Heinert**

# Aurora Spotlights!

**Julie Dagam, Pharmacy Residency Program Manager for Advocate Aurora Health, was awarded the ASHP Award of Excellence. This award is provided at the discretion of the ASHP Board of Directors to recognize individuals who have made contributions to excellence in pharmacy practice in acute and ambulatory care settings.**

**Alyssa Marquis, PGY2 Oncology Resident, was awarded the HOPA Quality Oversight Committee Quality Research Certificate for her poster titled "Streamlining Scheduled Chemotherapy Admissions Within a Multihospital, Multistate, Integrated Health System. Alyssa was able to present her award-winning poster at the 2023 HOPA conference this year in Pheonix, Arizona!**
